

Residential Rate Schedule R-1

Example Power & Light. Effective January 1, 2026, until replaced by a later schedule.

Availability

This schedule applies to electric service for residential use in single-family homes and individually metered apartments in the Example Power & Light service area.

Monthly rate

The monthly bill is a customer charge of 12 dollars, plus an energy charge of 14.2 cents for each kilowatt-hour used in the billing period.

Summer usage

From June through September, each kilowatt-hour used above 1,000 in a billing period is charged at 16.8 cents instead of 14.2 cents.

Late payment charge

A bill that is not paid in full by its due date is charged a late payment charge of 1.5 percent of the unpaid balance. The charge is applied once for each bill.

Minimum bill

The minimum monthly bill is the customer charge of 12 dollars, even in a month with no use.

Taxes and surcharges

State and local taxes, and any surcharges the State Utility Commission approves, are added to every bill.
